Houghton Lake, Michigan

With our school year coming to a close, we pause to look back upon the friends and happiness we have had. This year has been one filled with many experiences which we never forget. The joys, the sorrows, the fun and the hard work--these are all part of our memories of this past year. In the 1966 Bobcat we have tried to preserve for you through pictures these memories of HLHS.

Behind every successful yearbook is a patient, good-natured, hard-working photographer. For the students at H.L.H.S. these characteristics can bring but one person to mind--Mr. Art Kenney of Kenney Studio of Houghton Lake. Our cameraman, Mr. Kenney is indeed an indispensable asset to our 1966 yearbook. In view of this, we, the Seniors of H.L.H.S. take pride in saying, "God bless you, Mr. Kenney, for a job well done."
